Because we really need to make sure our blight/facade is in order, I would like to spend time on this tonight. The amending/review of the sign ordinance will be tabled until April's meeting at which time I am requesting this to be the only thing on our agenda. The goal is to have the ordinance reviewed/amended by May's meeting and to have the public hearing in June.

8:00 PM Motion to adjourn Carpp, second Outz unanimously approved.
