Temporary Water Use Permit

This permit is for temporary water use within a building for construction or cleaning purposes only. It is valid for 60 days and must be renewed at the Lawrence Village Hall 60 days from the date of issuance.

The water service to the building will be shut-off if temporary permit is not renewed. If the water is shut-off due to expiration of this permit and a second request for a temporary permit is made within 30 days a \$30.00 fee will be charged for the second permit issued.

Occupancy of the building is forbidden until an Occupancy Inspection is performed and the building is issued an occupancy permit.

The owner of the building in which the permit is issued at such address shall be responsible for the invoice issued by the Village of Lawrence for the water consumption.
