Roll Call

Present: Quick, Gritter, DeLoach, Glennie, Webster

Absent: Lorenzo

Also, Present: Theresa Stroud, Becky Everhart,

Guests: Amos Alexander-True Leaf.

Quick-

- Have approval and recommendation from Andrew with Wightman and Brian Johnson DPW Supervisor on revised True Leaf site plan.

Quick call for motion

No further discussion

Motion Carried

Public Comment: NA

Quick spoke with John Wellehan. John has been speaking with Annette Crandall regarding water usage concerns on overall Business Park. Johnson-DPW Supervisor feels we are okay with current projections, but we need to limit types of business on future growth to ensure water usage levels.

Webster-Is it possible to set up a tour of 305 Farms? Would like education on the hydroponic process.

Quick-Yes

DeLoach-Saw the email; so, we didn't get the Grant?

Stroud-no; she is still working with Abonmarche to see if another option is available for possible James Street project. Would need to remove some items from the CDBG Grant paperwork submitted.

Quick call for motion to adjourn meeting.
