

Village of Lawrence
Public Services Committee Meeting

June 7, 2023

Meeting called to order at 18:00

Members present; John Gritter, Dave DeLoach Dave Quick and Brian Johnson.

Guests present; None

- Permitting is underway for the for the ditching project at W. James and Michigan. County drain commissioner is talking of extending the project into the township. What that entails is not yet clear.
- Repairs have been completed on both lawnmowers and they are back in service.
- Spraying for mosquitoes has started in The Park.
- The James St Lift Station is down again. Brian states that there was enough water in the can to submerge the pump motors but has not yet been able to determine the cause of the flooding or if there has been significant damage to the pump motors. In the meantime, the new bypass pump is working well.
- Peerless states the well number four is due for routine cleaning. Brian will find out if the maintenance is urgent or if it can be scheduled for next year.

Meeting adjourned at 18;00.
